REPUBLIC OF THE PHILIPPINES
COMMISSION ON AUDIT
Commonwealth Avenue, Quezon City

INDEPENDENT AUDITOR'S REPORT

Honorable JOSE E. RELAMPGOS
City Mayor
City Government of Panabo
Davao del Norte Province

Qualified Opinion

We have audited the financial statements of the City Government of Panabo, Province of Davao del Norte, which comprise the statement of financial position as at December 31, 2024 and the statement of financial performance, statement of changes in net assets/equity, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, except for the effects of the matter described in the *Bases for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the City Government of Panabo as at December 31, 2024, and its financial performance, cash flows, and comparison of budget and actual amounts for the year then ended, and notes to the financial statements in accordance with the International Public Sector Accounting Standards (IPSASs).

Bases for Qualified Opinion

As discussed in Part II - Detailed Observations and Recommendations of this report, the reported balances of the accounts in the Financial Statements were not fairly presented due to erroneous/non recording of affected accounts totaling **P14,286,477.09,** to wit:

1. Non-provision of depreciation expenses due to non-reclassification of the accounts from Construction-in-Progress (CIP) to its appropriate asset accounts

thus overstating the Property, Plant and Equipment and Equity Accounts by P8,233,780.;

2. 89Unadjusted identified bank reconciling items resulted in misstatement of cash in bank account and other related accounts amounting to P4,334,182.70;
3. Errors and unsupported transactions recorded in the Inventory accounts amounting to P1,718,513.50;
4. Deficiencies in the internal controls on various accounts which could materially affect the presentation of the balances in the Financial Statements.

We conducted our audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the agency in accordance with the Revised Code of Conduct and Ethical Standards for Commission on Audit Officials and Employees (Code of Ethics) together with the ethical requirements that are relevant to our audit of the financial statements in the Philippines, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Except for the matter described in the Bases for Qualified Opinion section, we have determined that there are no other key audit matters to communicate in our report.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IPSASs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the corporation's/unit's/agency's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the agency or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Local Government Unit's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency/Unit/Corporation/Project's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Local Government Unit's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence

obtained up to the date of our auditor's report. However, future events or conditions may cause the Local Government Unit to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit observations, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
